Amy Allsop, has been a Real Estate Professional for the last 7 years, working in the Investment Property arena. Amy knows that Customer Service and building Strong Relationships is the Key to Real Estate success. As a result of that philosophy she has been a multi-million dollar producer for several years. Amy has close to a 20 year foundation in great customer service, which she initially learned working for the Pioneers of Customer Service - Nordstrom! A native of Idaho, Amy chose to return to the Treasure Valley in 2004, after living in the San Diego, California area for 20 years. Amy and her family enjoy the wonderful quality of life that is unique to the Boise area and plan to remain home in Idaho.

Amy has watched as the Treasure Valley has grown over the years and is looking forward to taking her career in Real Estate into a new direction with DK Commercial in Boise. Amy is affiliated with, IAR & NAR and holds herself to those high standards as is evident from her satisfied customers!

*Our first investment property with Amy is the smartest investment we've made. The property has been fully occupied since we closed and has not demanded a minute of our time. We receive an informative report outlining our account activities and find Amy very responsive to questions and request. We are equally impressed with Amy's knowledge of the local market and her ability to get us top dollar on our lease.*
