As the designated broker for DK Commercial, George oversees all the aspects of the brokerage and operations. His extensive background in real estate, development and construction give George the expertise needed to provide his clients with the guidance and knowledge needed to make informed investing decisions.

George specializes in investment, income and development properties. His extensive and intimate knowledge obtained over 30 years in the industry gives him an experienced outlook and basis to evaluate and execute each transaction. George has owned and operated his own construction and development Company in both Idaho and California for the past 25 years and is active in investing and developing commercial and residential properties for his own investment purposes. George has extensive experience over the past decade in the practice of real estate brokerage and has continually provided clients with exceptional results in sales, leasing, procurements, exchanges and analytical consulting.

George currently operates brokerages in the Treasure Valley and Valley County areas of Idaho.
