Rod Meyer came to DK Commercial with exceptional credentials in; Business Development, Management & Acquisitions. With his skills and background in mind he has chosen to pursue the "Investment" arena of Commercial Real Estate.

Rod's impressive career includes; Partner and Vice President of the *largest* Independent Grocery Company in the Northwest. He was also President of *two additional* privately held grocery companies. Rod contracted to identify and secure diversified retail businesses for the *first* "Four-Seasons Resort in America in the last twenty five years." Furthermore he was Vice President of the Northwest Grocery Industry for the City of Hope & Beckman Research Center.

Over the course of his career Rod has given much of his time to help many non-profit Organizations. He dedicated substantial time and effort on the development & integrity of the Grocery Industry as a whole. He served as Sub-Council Member for the National Retail Institute, developing *Retail Skill Standards* for the United States Government and Businesses across the Nation.

Rod's experience in owning three different multi-million dollar companies has given him the foundation and unique ability to assist individuals and organizations in their Commercial Real Estate investment needs. Rod's personal work ethic, professionalism and positive can do attitude will assure prodigious client care & satisfaction.
